

Welcome to Poll Everywhere

Get started with your first Customer Success training

The basics

Your training starts with a general introduction to your Poll Everywhere account:

- Logging in and navigating your account
- Understanding the [Activities page](#)
- Organizing Activities and Folders
- Adjusting [settings and defaults](#)

Activity creation

Next, your Customer Success Manager will walk you through creating and presenting Activities:

- Choosing between [Activity types](#)
- Adding Activities to Folders
- Configuring Activities
- [Presenting Activities](#) live and asynchronously

Collaboration and reporting

Finally, learn about the features that let you leverage audience feedback at scale:

- [Sharing Activities](#) with teammates
- Selecting [Report types](#)
- Exporting responses

We hope you look forward to your first training session. Please reach out to your Customer Success Manager if you have any questions.
